### EXAMINER'S AMENDMENT

The application has been amended as follows:

As to claim 11, replace "Withdrawn" with – Previously Presented --.

As to claim 12, replace "Withdrawn" with – Previously Presented --.

As to claim 17, replace "Withdrawn" with – Previously Presented --.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Schuler teaches use of nubs (i.e. projections 12", col. 4, line 27). But not the partial vacuum called for in claim 19.

As to claim 10, note was made of Applicant's argument on p. 4, lines 6-8 from bottom of page, that expressly states that the structure "contacts the sensor device and the glass pane" in claim 10.
